

Patient Information

Parkinson's Disease Specialist Nurse Service (Swindon & Shrivenham)

Welcome

The Parkinson's disease specialist nurses aim to provide a range of services for people with Parkinson's, their family and carers.

Aims

- A point of contact for all patients diagnosed with Parkinson's throughout the entire process
- Support, advise, inform and educate
- Detailed assessments of patients and management in the community
- Liaison with and refer as required to other health professionals

Please contact us if

- You have concerns about your symptoms or are having difficulties which are affecting your daily living that need to be addressed before your next appointment
- You have a 'flare up' of your symptoms that has not improved with your usual treatments
- You are experiencing side effects which you feel may be caused by your prescribed medication
- You or your family feel that you or they are not coping
- You wish to receive advice and/or support
